ASSOCIA-FION.

In view of the present low prices of Oil and Oil Cake, and for the purpose of mask ng the prices of Colton-Seed uniform, and preventing the heretafore encremous loss of seed sacks, the undersigned have agreed to the map pointment of Mr. S. J. Camp, who will set as our recretary and Treasurer, for the purpose of receiving and paying for all seed which may arrive by river or railroad. He will lumpish sacks, as usual, and transact all business relating to purchase, receipt and delivery of seed; also to superintending the weighing. The present low prices of cotton-seed products will not justify us to work seed at green even (87) collars per ton, which is the present established price at the wharf or depot. Our friends may rely at all times on getting the highest prices for good, sound seed which the prices of products will justify. All command cations on the subject of sacks, sais of seed, and all other matters relating thereto, should be addressed to the Memphis Cotton-Seed Association, office No. 229 Front street.

We caution our friends against mixing old with new seed, as the latter will be damaged.
